Grand Street Store.SWIFT'S SPECIFIC has cured me of a malig-
nant breaking out on my leg, which caused in-
tolerable pain. It was called Eczema by the
doctors—four of whom treated me with no re-
sult. I candidly confess that I owe my present
good health to S. S. S., which in my estimation
is invaluable as a blood remedy.
Miss JULIA DE WITT,
2227 N. 10th St., St. Louis, Mo.
Our baby when two months old was attacked
with Scrofula, which for a long time destroyed
her eyesight entirely and caused us to despair
of her life. The doctors failed to relieve her,
and we gave SWIFT'S SPECIFIC, which soon
cured her entirely, and she is now hale and
 hearty.

\$3 SHOE
FOR LADIES.

Best Material, Best Style, Best Fitting.

LADIES.
Have you ever reckoned the cost of your shoes? Have
you ever thought to economize in your footwear? If not,
now is the time, and the W. L. DOUGLAS \$3 SHOE
FOR LADIES is the article to begin on. When the
question was suggested of putting a lady's shoe on the
market at a popular price, we at once experimented to
get a good, serviceable, stylish shoe to sell at \$3. After
much trouble and expense we at last succeeded, and can
now give you a shoe that is in every way worthy of your
consideration, and you will find it equal to those which
have been costing you \$4 and \$5. These shoes are not
made of French kid, but of the very best kid that can be
produced in this country, and we defy any but an expert
to distinguish between the two, and venture to say, if
the question of service and quality comes up, the de-
sign would be in favor of W. L. DOUGLAS \$3 shoe
for ladies. Another and excellent recommendation is
that they are made without laces or heels, having a smooth
inner sole, which ridges one of the suppurators of soiled
hoes and sore feet. If you have read this advertisement
through and would like to satisfy yourself of the state-
ment made therein, call at any of the stores named
below and examine a pair. The genuine have price and
warrantee stamped on bottom, and take none unless so
stamped.
W. L. DOUGLAS, Brockton, Mass.
